

Make a living from SEO

Millions of dollars are being spent every day by website owners to increase traffic to their websites. Website owners hire Freelancers through the biggest Freelance workplaces worldwide to do specific actions to increase traffic to their websites. Most of these services are related to Search Engine Optimization (for short SEO) and they are simple enough for anyone to do! Although they are simple, they are high profitable ones since Freelancers make thousands of \$\$\$ per month ! Once you understand how the system works, most of these SEO services will be simple copy paste jobs for you. If you spend very little time and effort, you will be able to provide them and earn about 30-50\$ per hour or even more. This guide covers each and every step you need to follow in order to make a living providing simple SEO jobs. Part 1 includes all the training you need to provide the most popular SEO jobs. Part 2 includes all the marketing tips that will help you dominate the top Freelance Marketplaces like Fiverr and oDesk where you will sell these services.
