

Ginger and the Mystery Visitor

Ginger and the resident kitten are annoyed by a pushy feline who sneaks in and eats their food. Can the girl find a way to solve the mystery? It's a wonderful arrangement: Ginger, the kitten, and the girl who looks after them. Until a spy appears at the window, and even shows up one day in the kitchen licking their bowls! The girl is curious as to where the large and seemingly hungry feline comes from. But when she ties a note to his collar asking, 'Do I belong to anyone?', she gets a surprising response that will tickle anyone who knows cats. With spare, expressive illustrations capturing the animal's body language to a T, here is a charming read-aloud treat for animal lovers and children who like a gentle taste of intrigue.
