

## Grizzly Bear (North Americas Biggest Beasts)

Grizzly bears are powerful predators, and readers will enjoy learning fun facts about their hunting habits, their habitats, and their massive size. Informative text is presented alongside additional fact boxes and a helpful graphic organizer. A habitat map is also included to show readers where grizzly bears live in North America. Colorful photographs give readers an up-close look at these mighty mammals in their natural habitat. Fun text features and vibrant photographs make learning about essential science curriculum topics including predator-prey relationships, life cycles, and conservation fun for even the most reluctant readers.
