

The Governors Bluff (Jaynes Nature)

Put forth three or four exceptionally nice girls, given a strong faith in God, a spirit of adventure, and a safe haven in the woods, and-- oh, yes-- a penchant for not wearing clothes. What ensues is the very nature of innocent adventure, complete with sisterly camaraderie, adventurous risk-taking, heart-stopping suspense and plenty of good humour besides. Join Jayne and her soul-sisters, in a series of episodes is taken from Jaynes real-life online journal, as they explore the primeval New Jersey outback, bare as Nature intended. But leave your sinful notions behind; for its not about that at all. The sisters, with cousin Angel, set forth to hike the Pinelands in defiance of Governor Corzines 2006 shutdown of state recreational areas. Over an eventful weekend, they evade strangers, play sports and hike far afield of where they have gone before, sleeping in the open and, as ever, savoring their favorite mode of dress.
