

## Aliens on Vacation (Intergalactic Bed and Breakfast, The)

Scrub isnt happy about having to spend the summer with his hippie grandmother in Middle of Nowhere, Washington. When he arrives at her Intergalactic Bed & Breakfast, hes not surprised by its 1960s-meets- Star Wars decor; but he is surprised by the weird looking guests. It turns out that each room in the inn is a portal and his grandma is the gatekeeper, allowing aliens to vacation on Earth.
