

## Another Fine Mess

Fox is in a terrible panic! Uncle Ferdinand is coming to visit, but Fox's den is a mess! So Fox sweeps all the trash into a big pile and pushes it into a nearby hole. However, as we discover, that hole is Badger's front door, and now all the trash is on her living room floor! So Badger sweeps up all the trash and finds another hole to put it in. But that hole is where the Rabbit family lives. So now they will have to get rid of the trash. This lively tale follows the path of Fox's rubbish until it comes around full circle. It's a wonderfully humorous reminder that we should all look after our environment!
