

Beat The Economy:the Creative Entrepreneurs 6 step guide to massive growth, clients and fortune: Beat The Economy:the Creative Entrepreneurs 6 step guide to massive growth, clients and fortune

Why do creatives suck at making money? Creating a product is easy. Promotion and sales are difficult for most people. Instead of complaining about the economy, this book shows how creative entrepreneurs can move their businesses from 6-8 figures a year in just 18 months. Written by entrepreneur and Business Growth Advisor Jeffrey Manu. www.growingstartup.com
