

## Benjamin Bear Says Goodnight (Benjamin Bear)

Benjamin Bear and his friends have played all day, but when its time for bed, Benjamin still feels bouncy! Luckily his family help to show him that quiet time can be fun, too, and by the time his mum has read him his stories and his prayers have been said, he feels happy and cozy and ready to go to sleep. Warmly illustrated by Steve Smallman, this sturdy board book is the perfect way to help your little one calm down after a busy day
