

## Beyond the Lines (Kids Like You Book 2)

The Dream Girls Hattie, Crackers, and Beverly Jo are back with the same determination and resolve they displayed in *Between the Lines*. This time, it's Crackers who has a dream. She has oodles of talent, can outshoot any guy, and she wants to be the first girl on the boys basketball team. Everybody knows she's the best player at school. The problem is, the rules say: No girls allowed on the team. Ever. But the Dream Girls have challenged old-fashioned notions before, and they're not about to give up now. Beverly Jo rocks the world with an ingenious plan, Hattie sets the wheels in motion, and Crackers gives her all. For this threesome, nothing is impossible.
