

Invest My Way: The Business of Making Money on the Australian Share Market with Blue Chip Shares

The definitive guide to buying blue chip shares on the Australian stock market. Designed for DIY investors looking for simple, practical, low risk strategies for managing their blue chip shares, *Invest My Way: The Business of Making Money on the Australian Share Market with Blue Chip Shares* is perfect for anyone interested in either trading or investing long term in Australian blue chip shares. Written by respected trader and market educator Alan Hull, the book provides readers with a unique, holistic investing strategy for managing blue chip shares to optimize both capital growth and income (dividends). Beginning with basic coverage of managing blue chip shares, the book also includes invaluable information on managing portfolios as well as offering advice on when to buy, sell, and accumulate stocks. In-depth and comprehensive, *Invest My Way* is the latest instalment in Hull's collection of investment texts including *Active Investing* and *Trade My Way* which, taken together, provide readers with a complete stock market solution. Presents a unique new strategy for making money with blue chip stocks. Author Alan Hull is a respected, well-known trading and investing expert. Walks readers through the entire blue chip investing process, including building portfolios with maximum capital growth and returns. The third instalment in Hull's complete guide to making money in the stock market, following in the footsteps of *Active Investing* and *Trade My Way*. Essential reading for casual investors, including baby boomers, retirees, SMSF trustees, and anyone else interested in trading or investing long term in Australian blue chip shares.
