

The Psychozone: The Witches Monkey and Other Tales

A boy discovers his neighborhood has turned into a Land of the Lawn Weenies. Sound peculiar? How about zombies behind the counter of your local hamburger stand? A roadside motel where the guests are on the menu? A party where everyone who turns up is...dead? One thing is certain: you're not in Kansas, anymore! Welcome to the PsychoZone. It's that midnight-of-the-mind place where the road to reality makes a sharp turn down a winding detour to the twisted world of the imagination. Just remember: There are no U-turns in the PsychoZone.
