

Bootsie - Just One More (Book Eight)

Bootsie is in his last year of school, and rugby is still his greatest passion. When a new rugby competition known as The Super Challenge Cup is announced, it creates a buzz around the school when it is revealed that the headmaster has registered All Kings to take part. Bootsie soon finds himself under tremendous pressure. ----- Can he keep on playing extra games and stay focused? ----- Will he rise to the challenge of no longer playing as number 8?----- And what about the overseas tour, the captaincy of the team, finding time to study for his exams AND thinking of the future? ----- How will it all end?
