

Golzup: Vol. 1 - Business Advisory (Volume 1)

Golzup is a U.S. small business supporting secure global operations in more than 25 locations - U.S., NATO allies, and coalition forces. Specialties include advanced cyber security technology, enterprise IT systems implementation, engineering change management, service delivery, and operations and sustainment (O&S) for the Federal government, state & local governments, and commercial customers. We deliver the full range of cyber security product and service offerings including: visualization, vulnerability assessment, prioritization of risks, remediation of risks, proof-of-concept, phased implementation, and education and training. Golzup principals have roots in the U.S. investment community and deliver cyber security product and services offerings that are based on intellectual property that is protected by U.S. patents. Golzup principals have backgrounds in DoD, joint forces, and global operations - MACOMS, MAJCOMS, Space Command, Special Ops, Army, Navy, Air Force, professional consulting services, global education and training, operational test and evaluation, information assurance, and expertise growing revenue for small- and medium-sized businesses. Golzup delivers advanced technology support to the government. As a Small Business Administration (SBA) small business operating under a wide range of NAICS Codes, we build effective teams to bid and deliver on set-asides for firms generating less than \$25.5 million annual revenue. At times Golzup competes in the unrestricted (full and open category) to win and deliver by competing with large firms. Golzup has an extensive list of respected and recognized teaming partners with small business status. These include woman-, minority-, veteran-, and Alaska Native-owned small businesses; as well as 8(a) and HUBZone firms. Golzup extends

each teaming partner ample opportunity to serve as prime contractor as well as to fill the role of Golzup subcontractor on multiple contracts.
