

Life smiles on Connie Brandon: law degree nearly in hand, a loving husband and two wonderful kids, a vibrant faith in God in a quiet Missouri town. But her quiet family life is rocked when her husband, Jack, turns up dead in the Missouri River -- a suicide, police say -- and then another woman claims to have been his mistress. Although grief-stricken, Connie's sharp legal mind locks on to the belief that her husband was murdered for his staunch opposition to riverboat gambling in the Missouri capital of Jefferson City. Yet as she searches for the truth, secrets about Jack emerge -- secrets of a past cloaked in riddles and danger; secrets that threaten her faith and her life unless she can piece it all together in time.
