

Chronicles of Ancient Darkness #5: Oath Breaker

Torak circled the fire and Thiazzi came after him: slowly, cracking his whip, playing with his prey as a lynx plays with a lemming. Torak was exhausted. He wasn't going to last much longer. When he was outcast, Torak was the hunted one. Nine moons later he becomes the hunter, when he vows to avenge the killing of one of his closest friends. Racked by guilt and grief, he follows the killer into the Deep Forest, where the World Spirit stalks the hidden valleys as a tall man with the antlers of a stag. But there is a rottenness at the heart of the Forest, for its clans have succumbed to the lies of the Soul-Eaters. Here Torak must face fire, war, and overwhelming evil.

The fifth book in the Chronicles of Ancient Darkness series, Oath Breaker is a story about keeping promises and the true cost of vengeance.
