

Watch Out for Bears: The Adventures of Henry and Bruno (Step Into Reading: A Step 2 Book)

Henry loves honey! He loves honey so much that he sets up a beehive in his backyard. But the hive attracts not only bees--it attracts Bruno the bear as well. Henry and Bruno quickly strike up a friendship: Henry helps Bruno find a home, and Bruno saves Henry's honey from destruction. They go camping together, all the while watching out for bears that might eat their food. But in the end, a bear does end up eating all their food--Bruno! Readers will love reading about Henry and Bruno's fun-loving adventures, told in three hilarious vignettes.
