

Search Word Pro – Leveraging Social Media – Bookstore Marketing Do you know enough about the latest social media marketing strategies, tactics, and tools to improve your success? Search Word Pro is a very specialized personal tool that helps you discover powerful and actionable information quick as a click. If you are going to have a transformative experience that dramatically improves your success today, the chances are very good it will come from the results you find using a search engine. Words have power. Knowledge is power. Click and it's yours. Search Word Pro – Leveraging Social Media – Small Business Marketing focuses on the magic search words you need to get access to the knowledge you need to make your business go zoom. You simply decide what you want to know and then click on the search engine of your choice to see the results of your search. Blast off. In a second you are there and your search results open for you. Each Search Word Pro ebook offers a structured Intro-to-Expert search word roadmap on the topic you have chosen. You just take small steps one right after the other. Search Word Pro Chapters cover a particular social media technology (e.g., pre-social media, post-social media, Facebook, LinkedIn, YouTube, Twitter, Pinterest, Instagram, Google Plus, etc). Each chapter section then gives you the magic search words. Just click! The icons link you to the search engines and uncover the results containing the best available information. The search results are always up-to-date and current! You will learn the best and most current:

- Marketing tips, tricks, tactics, secrets, plans, examples and samples;
- Marketing strategies, techniques, infographics, tools, cheat sheets, video trailers;
- Advice on building marketing platforms;
- Best content to share, best words to use, best times to post, how to improve engagement;
- How to use calls to action and landing pages;
- Bestselling books and authors on each type of social media technology.

• And how to best ways to search, target and communicate with your people on each type of social media technology. Have it your way! Search Word Pro helps you choose results based on how you prefer to learn.

- If you like reading information, choose Google or Bing.
- If you prefer slide shows, use Slide Share.
- If you like video, use YouTube.
- And if you prefer imagery and graphics, use Pinterest.

Each search brings you the most current results on a different action or deliverable. The search words were carefully selected to:

1. Help you maintain a bias for taking the right actions in your marketing; and
2. Identify the key marketing communications deliverables you need, to improve whatever you are doing in that area.
