

Ians Christmas Tree

Decorating for Christmas starts the day after Thanksgiving at Ians house. Ian is eager to see his ornament Christmas people after their long spring-summer-fall rest. They need to rest from all their activities during the Christmas season. They climb on and off the Christmas tree with their wooden or ceramic legs to go on adventures. They fly with Pierre, the French Teddy Bear, in his first red satin hot air balloon ride. They sail with Capt. James Pilgrim on the Mayflower III in Ians swimming pool. They go with Joe Hunter when he is learning how to drive the kiddie car. They learn to play and sing Christmas carols using the think system. Wooden Soldier, from England, stands guard while the Christmas people have their adventures. They tell Ian about their activities, but they dont talk with his parents.
