

Curious George Goes to a Movie

The movie that George and the man with the yellow hat have been waiting to see is now playing! Once inside the darkened theater, George is curious about the light coming from the back of the room. As usual, Georges curiosity gets him into trouble but his clever tricks save the day. The adventures of Curious George continue in an all-new series beginning in fall 1998 with eight new stories. Written and illustrated in the style of Margret and H. A. Rey, the books will appear in paperback (8 x 8) and hardcover editions and will feature the art of Vipah Interactive, the animators of HMIs Curious George CD-ROMs.
