

Fire in my Hands: Through the Land of Colour

Synopsis:Based on a true story, Fire in my Hands Through the Land of Colour depicts the courageous adventure of one womans battle to challenge herself on an expedition across Mexico, Guatemala, Belize, Antigua and Caye Calke. Strange and amazing things happen to her during this journey, which echo her life as a secret healer and psychic. Three themes are intertwined into one remarkable story: the paranormal, including an exorcism in a brothel, the search for ones self, and thirdly, finding someone to love. Deriving from all the struggles author Lesley Ann Eden encountered on her amazing journey, both physical and mental, Fire in my Hands Through the Land of Colour unearths some incredible memories of the paranormal.About the Author:Lesley Ann Eden grew up in a small farming village in the Midlands of England and has been writing ever since she was a little girl. She currently lives in Yorkshire, England, where she is a choreographer and teaches performing arts. This is her first book.
