

The Time of the Lily: A Jacob Boehme Reader

The writings of Jacob Boehme are not for everybody. By that I do not mean, They are only for spiritual giants. I mean that they are only for those who are so thirsty for the living water (John 4) that they are not afraid to take forbidden paths in their search for the River of Life. The way of salvation is a forbidden path, and always has been forbidden by the god of this world (2 Cor. 4:4), the rulers of this world (1 Cor. 2:6-8, Psalm 2), the wise men of the world and especially the religious leaders of the world (Luke 11:52). The Way of Life is hedged with swords. Jacob Boehme has proved a reliable guide on the straight and narrow Way that leads to life. This book begins with selections from the easiest of JB's writings and goes progressively deeper. It will prove especially helpful to those who are new to Boehme or have tried his more recondite writings and found them difficult. As Christianity declines and lawlessness abounds, it appears that we are entering the time that Boehme called the judgment of Babylon and The Time of the Lily. In the time of the end, the time of the Lily, these writings will be sought out and understood. To all who are shooting forth into the fair Lily in the kingdom of God, who are in the process of birth, are these lines written; that each one may be strengthened, and bud in the life of God, and grow, and bear fruit in the Tree of paradise.
