

Dream Dress for a Princess

Princess Emily is ecstatic. She has been invited to her very first ball and she wants her gown to be not only perfect, but phenomenal. However, the rest of the castle occupants do not share her obsession. Princess Emily's search for a dress is fraught with frustration, but with the help of her father and mother and the rest of the royal family, Princess Emily is led to the realization that there are more important issues in life than wearing a frilly gown. Be you King Daddy, Queen Mommy, or a doting grandparent, pull your darling princess into your lap and enjoy this delightful tale together. Be on the lookout for Nothing to Do, another of Grandmas tales, to be published soon. When a power failure keeps her grandchildren from their favorite electronic past times, Grandma gives them a peek into playtime and life during her growing up years.
