

Two weeks before Christmas in 1992, author Barbara Jean Judd had a frightening, yet deeply amazing experience. While praying for guidance to make it through a particularly difficult time in her life, she fell asleep and had a near-death experience. She traveled in a dark tunnel and saw a light ahead. When she woke, her life was changed forever. Find the Diamond Light in You shares Barbara Jeans dramatic story and reveals how prophetic revelations and out-of-body experiences indicate there is a God and a good Spirit in us all. After her experience, Barbara Jean began to make the connections between how certain symbols, people, and events in her life were all spiritual in nature. In addition, she shares how she developed her gift of spiritual writing and began to explore premonitions, insights, and dreams. More and more, she realized that God was showing her important revelations as well as pointing her to the path she needed to take in her life. From her great-grandmothers passing to her vision of the Antichrist, Barbara Jean knew the Lord had blessed her with a remarkable ability to see His will. Find the Diamond Light in You encourages a deeper connection with your inner thoughts and feelings, and shows how one woman discovered Gods plan for her life.
