

Tiburón (DK Eyewitness Books) (Spanish Edition)

Discover why an angel shark is flat, why sharks sometimes eat each other, what gill rakers do, how rays are related to sharks and which shark is the fastest swimmer. And much, much more! Favorite Eyewitness titles are now available in Spanish-language editions for American readers. With the help of special language consultants, each book has been expertly translated with U.S. Spanish speakers in mind, offering native speakers and language students alike the opportunity to experience the truly unique resource that is Eyewitness.
