

Baseball Franchise Rankings: A Unique Comparison of the 30 Major League Franchises Success

Baseball Franchise Rankings is a baseball reference book that provides a unique way of comparing the success of the 30 current baseball franchises. The book contains a scoring system that ranks the current franchises in order of their historical greatness. It also has detailed summaries which explain why certain franchises have been more or less successful than others. Baseball Franchise Rankings is the ultimate baseball conversation starter. The reader can see where their favorite franchise ranks and how many points they need to improve their score and surpass other franchises. It also contains fun facts, unique statistical compilations, and 60 pages of reference tables which compare various franchise accomplishments throughout baseball history.
