

Bobin Mahron and the People of the White Bat

One Unforgettable Summer, Three Boys Save a Dynasty... It is the summer of 1937 in a tiny valley of Czechoslovakia. The Mahron brothers, Bobin and Otto, and their friend Henry Simon, are enlisted by a mysterious young archaeologist to help him unlock buried secrets of their valley... A valley presided over by an inscrutable castle... Sleuthing through underground caverns, hidden castle vaults, and a long forgotten diary, they use logic, deduction and just plain luck to decode the riddle of two deaths, 70 years before...of boys like themselves! In the process, they unearth a fabled treasure, and restore the honor of a banished prince and his lost heritage. Join in their Adventure as they Unlock the Riddle of The People of the White Bat.
