

# The Ultimate Philadelphia Athletics Reference Book 1901-1954

The title says it all, this is the ultimate Philadelphia As reference book with over one thousand two hundred bios of virtually every person, player, coach, and manager who ever wore an As uniform and/or appeared in a As box score as well as those of numerous support personnel, farm system players some who came close to making it to the major and some who didnt. It also includes a complete season-by-season rundown, key trades, league leaders and honors, the everyday players, plus all kinds of other interesting information about this legendary baseball club. The Ultimate Philadelphia Athletics Reference Book 1901-1954 is also author Ted Taylors homage to Messrs. Johnson and Carmichael. As with his first book, he writes about the lesser players, guys who got a short look maybe one game, maybe just an invitation to spring training, maybe even a transient one as they were traded from one team to the As and then shipped off to another before ever pulling on a Philadelphia uniform as well as the twenty As icons now residing in the Baseball Hall of Fame in Cooperstown, NY.
