

Dramatic Business Growth* *...In the Face of Fierce Competition! (The Business Growth Accelerators Guide to)

Most businesses fail! Large or small, old or new, most businesses eventually succumb, despite their owners` feverish and impassioned efforts. The small number that survives never grow to their full potential. Their owners do everything they think they`re supposed to and work practically 24/7 to do it. Yet, their efforts no longer produce improved results. Most owners are technical experts in their field, but have never been to `business ownership school`. So, they run their businesses just like everyone else in their industry does... and get the same crummy results everyone else gets! Do you know... The 4 primary ways to grow your business? (If not, then you`re not using them!)Whether you`re functioning as the master technician or the CEO of your business? (You`re probably fooling yourself here!)That you`re playing by the competition`s rules? (Don`t think so? You`re in trouble!)How to deal with the `nice` customers that are killing your business? (They seemed so nice. I wonder where they went?)What your business`s unique competitive advantage is? (If not, why buy from you?)The key to customers lining up outside your door, while other business owners in your market are handing their door keys to the bank? Are you ready for dramatic improvements to your bottom line?!! Dramatic Business Growth shows you the practical, concrete steps to:add the greatest number of dollars to your businesss bottom line... in the shortest amount of time... for the smallest amount of human effort... and the least amount of capital investment and risk possible, whether your patrons are patients, clients, or customers, and regardless of your industry. Packed with example letters, tables, and scripts.
