

## Looking for Easter

Little Bunny can sense something new in the air, and it smells like sunshine and warm breezes. It smells like Easter! his friends tell him. But Little Bunny wonders: what is Easter? So he sets out through the forest on an early spring day to find out . . . This sweet, simple story by Dori Chaconas conveys the spirit of the season through nature, while Margje Moore's gentle, detailed watercolors reveal the new life of springtime.
