

Freddy the Pilot

Another great adventure from the pig that oversleeps and overeats, daydreams and writes poetry. Hes a little bit lazy and when hes scared, his tail uncurls. In **FREDDY THE PILOT**, Freddy the Pig, famous detective of Bean Farm, has his hands full. The comic book tycoon (and evil mastermind) Watson P. Condiment is trying to kidnap Mademoiselle Rose, the prize performer from Mr Boomschmidts circus. Freddy goes to great heights in his brand-new airplane to foil Condiments flying henchmen and save Mr Boomschmidt from financial ruin. But will he be able to come to the rescue without crashing into the north fence?
