

1- This is not about overcoming your fear, not at all, in fact, it is impossible to overcome fear from our life, that will be a waste of energy and wrong thing to focus on, 2- This book is about Whether you decide to accept and embrace the truth about life now or at some time in the future. More about understanding why fear exists in the first place and how to utilize it to our advantage, it must be a cause for this energy called fear exists in our life, dont you do to believe? 3- Knowing how to direct fear in the right channel that will be the challenge here, certainly a real life changing, and you might be able to solve the mystery why we have to suffer so much from so many illnesses, self-esteem, jealousy, anxiety, relationship, gaining weight, depression, and the list go forever. 4- Imagine if you could change only one thing in your life that can turn around the way you think and see the world like never seen before, the best way to describe it, is like putting pink glasses on, and suddenly you see all your surroundings in a beautiful pink color, thats will be the purpose of this book. 5- This book is unique in a sense that is dealing with the core of our being. Both on a spiritual and physical level and get you in touch with your own knowledge. The book will guide you through the knowledge 6- This book will become your faithful mentor which you can refer to it anytime you get a problem or dilemma to solve. Remember that your real strength is finding out who you are and realizes the unlimited power of your mind. 7- To my knowledge, There is no other book like it on the market, this mentor does not give you instructions how to behave in certain circumstances, 8- In fact, by reading the book, your mind will be called upon to act intuitively in solving problems or making decisions instantly. 9- I will guarantee that you wont regret putting your hand on such insightful knowledge. Grab this book (HOW TO EMPLOY FEAR TO ENCOURAGE LOVE) while is still heavily discounted. 10- An email address will be provided, you will be able to ask the master direct any questions you may have while reading or you can set an appointment for a full session with the Master (for a fee.)
