

Hank Finds Inspiration

WHAT IS INSPIRATION? AND WHERE IS IT HIDING? Stanley is in desperate need of some inspiration. And what better place to find it than the big city? It doesn't take his pal Hank the Snake long to decide that maybe he, too, could use some inspiration. But where does inspiration hide? No two people have the same answer. Finally, in an art gallery, inspiration finds Hank when he falls in love with a sculpture only to learn it's already been sold. As Hank returns to his home and his friend Stanley, both have a pleasant surprise and discover what a good source of inspiration good friends can be.
