

## The Very Hungry Duck (Duck Tales Book 1)

Ducks tummy rumbles. She is SO hungry! She sees a bowl of fruit on the table, but every time she tries to take a piece, someone else grabs it and eats EVERY LAST BITE. Will Duck be able to fill her empty stomach? The rhythm and rhyme in *The Very Hungry Duck* will especially delight children from birth to five years of age, and the limited vocabulary is perfect for early readers. Bernice Seward is an incurable optimist with a particular fondness for stories where the little duck wins in the end. She is an avid reader, writer, photographer, and adventurer. *The Very Hungry Duck* is her first picture book.
