

Book Publishing: The Dark Side of the Publishing Industry: What Big Publishers Dont Want You to Know

The explosive tell-all! In October 2006 Timothy Aldreds daughter, author Millenia Black, filed a federal civil rights lawsuit against New York publishing giant Penguin Group (USA). After two years Penguin Group settled the case with his daughter out of court, and she is prohibited from ever discussing the details of the case again. Inside you will learn: Exactly what transpired prior to the settlement of the lawsuit Why the case was settled out of court The role of the Oprah Winfrey Show producers The disparity in advance royalties given to black versus white authors The bombshell publishing insider witness - and what she exposed! And much more! Injustices flourish in silence, and the truth about the publishing industrys treatment of certain writers must be spoken until all writers are treated equally. Big publishing companies use their power to keep certain discriminatory practices hidden while continuing to maintain a centuries-old mind-set of inherent superiority.
