

## John Willy & Freddy Mcgee

A life of nibbling grains and burrowing in straw is perfect for ordinary guinea pigs. Then again, its perfectly boring for guinea pigs as extraordinary as John Willy and Freddy McGee! So, of course, when their cage door is left open, these two daring friends take the chance to escape. Out into the world they go, afraid of nothing. That is, until they suddenly hearwhile inside the tunnels of a pool table: TAP! wumba BONK! tap-tap wumba BONK! Off they go againthis time back to their cage, but not for long! The wonderful cut paper pictures of Caldecott Honor artist Holly Meade take young children on an adventure they will thoroughly enjoy.
