

# The Boss Guide to Smarter IT

From CEOs to SMBs, this is the ultimate guide to effortlessly keeping your technology working and finding a professional, honest, considerate, fairly priced and dependable computer consultant. Kenneth May runs Swift Chip, an IT services company based in California. Hes seen far too many CEOs have to waste time dealing with just making their technology work. This guide is for you, the Boss. Dont waste your time doing work someone else can do better, for less.
