

Little Wolf, Big Wolf (I Can Read Book 2)

From wild daisies to fun parties, Little Wolf and Big Wolf like all the same things - but for different reasons! Little Wolfs fresh flowers are a tasty snack to Big Wolf, and Big Wolfs idea of party food almost spells disaster for Little Wolf. Fortunately, the one thing the mismatched pair can fully agree on is that they are best friends. With comic exaggeration, Matt Novak introduces beginning readers to two wacky wolves whose friendship is firmly based on common interests - and mutual misunderstanding.
