

## Lord of the Forest

Everything in the forest is new and exciting for little Tiger - grass growing long after rain, snakes slithering, Monkey whooping to his tribe. But every time Tiger tells his mother what he hears, she says, When you dont hear them, then, my son, be ready. The Lord of the Forest is here! Tiger is puzzled, and cant help wondering: who can the Lord of the Forest be? Children will enjoy this book again and again with Caroline Pitchers lyrical storytelling and Jackie Morriss superlative portrayal of the forest and its inhabitants in all their magnificence.
