

Making Strides (Chestnut Hill #2)

Chestnut Hill meets Heartland when Malory, one of the premier young riders in the schools equestrian program, contacts Amy Fleming to treat a talented young horse with a mysterious history. The tryouts for the equestrian riding team are over, and Malory earned her spot as the second-ranked rider for Chestnut Hill. Still, she doubts whether she belongs at the elite school despite receiving a top scholarship. Then the pony she's training gets hurt, and Malory wants to ride Tybalt in the next show. But Tybalt is wary and defensive. Her instinct tells her they share a special bond, but she doesn't know how to reach him. Malory has always trusted her gut when it comes to horses, and she's willing to bet her future at Chestnut Hill that Tybalt has what it takes to win.
