

Minecraft: 4 Minecraft Books about Boys in 1 (Minecraft Boy, Minecraft Boy Diaries, Minecraft Boy Books, Minecraft Books, Minecraft Diaries, Minecraft Diary, Minecraft Book for Kids)

4 Minecraft Books in 1. Story 1: Oliver is a nerd, and he is curious by nature. Perhaps this is why he has studied so much. But his curiosity takes a toll on him when he combines the four elements and adds a little substance to it called zin. Each element turns into a different enemy, which Oliver has to outsmart or outrun. Its only a matter of time before he realizes that he should have let it go. Story 2: In this diary of a Minecraft guy, youll find an adventure that starts with a murder scene, unfolds into a mysterious search, and ends with the defeat of evil. Bart is an average citizen of his little town, but when his name appears on a creepy wall with previous victims, he knows he has to do something or he will be next. His dog, Bruno, and he pursue a suspect and are shocked at what they find. Story 3: In this Minecraft world, Josh and Kimberley meet. They become best friends, and they work well together, but when one of them gets a crush on the other, their friendship is in danger. Can they continue to be friends without having feelings for each other? As time elapses, they have fun together, talk together, and share time in a school project, but when zombies attack the village, their faithful friendship is severely tested. Story 4: The fun story of the Minecraft boys, Steve and Steff, includes soccer games, mooshrooms, and chess matches. They do all these things together, but because their personalities differ, they both have a different view of what happened. One is happy, the other sad; the one having a blast, the other bored. It goes on and on like this, but they learn to deal with each other in the right way.
