

Whoz Who At The Zoo

As a kid I loved going to the zoo. Brooklyns Prospect Park Zoo was closest. A longer, special occasion drive was to New Yorks Central Park Zoo. There, polar bears swam and splashed, big cats made strange roaring noises and astounding to me was the size of the elephants and giraffes. When the Bronx Zoo opened, it proved best of all, because the animals were allowed to roam free. Bringing an artists sophistication to my Zoo memories, are the clever illustrations by Nathan Tamaki, a 20-year old art student making his first try at illustrating a picture storybook. Nathan fussed with his picture and type choices for about 6 months before arriving at his for 2-5 year old kids look. Other Russell books can be had from Amazon and Barnes & Noble EBooks, Ingrams, Apple IBooks or www.booksbyallmeans.com
