

Readers will learn all about the weird things amphibians do, including how some mother frogs birth their babies from under the skin on their back and that a salamander can re-grow its tail. In-depth descriptions of amphibious life and freaky fact boxes will engage young readers as detailed, colorful photographs creep around each page turn. A fun fact chart and helpful glossary will add to each readers experience.

Rabbits Wish, The Monster in the Backpack (Candlewick Readers), Tourists and Travellers: Womens Non-fictional Writing about Scotland, 1770-1830 (Tourism and Cultural Change), SEO 4 Authors: Everything an author needs to know to use Search Engine Optimization to sell more books, The Public Life of Jesus, Mary Reed: Female Pirate (15-Minute Books Book 618),
