

## Once I Was a Cardboard Box...But Now Im a Book About Polar Bears

With this fantastic earth-friendly book, kids get two unforgettable stories at the same time one about polar bears and one about recycling! Fun facts, quirky illustrations, and cute photographs take kids into the exciting world of the polar bear in this informative and earth-friendly book. Kids will learn everything from how polar bears hunt and how wide their paws are to where they live and what they eat in this unique look at one of the worlds most beloved endangered species. Also, a side panel on each page tells the story of how this book was made from the recycled paper of a cardboard box, teaching children the process of recycling and showing them what they can do to save the planet and the polar bears! Going green has never been a bigger issue, and with this book made of recycled material kids get to help save the planet and the polar bears by putting into practice what they've just learned!
