

Bread!: Life on a Wheat Farm (Food from Farmers)

Carb-loving readers will be amazed to find out how wheat turns into bread in this informative book that takes an undercover look at a wheat farm. There are numerous steps and hard work that come before we eat a slice of toast. These steps, which are explained in easy-to-follow language in this volume, span from planting to harvesting and will entice even reluctant readers to learn more about the food they eat every day.
