

Discover a world of Painful Pleasures vividly captured and portrayed in some of Lynn Paula Russells most outstanding work. Many of the illustrations collected here were commissioned by corporal punishment magazines, Februs and Janus. Paula's drawings are unashamedly erotic and full of the energies and emotions of sex. Her extraordinary imagination and realistic style carry you effortlessly into a realm of fantasy that is as rare as it is wonderful. There is no better guide to this world than the artist herself; by word and image she brings into play her talents and a special insight born of personal experience to show the reader a hidden door to a world of painful pleasures, where Beauty surrenders meekly to her punishment with both love and passion. A Feast of Fantasy 150 brand new, achingly erotic images from an incredible artist. A Voyage of Discovery Take a journey through the world of corporal punishment: young women display their canestriped bottoms; masters punish their errant maids; spectators watch as a female submissive awaits her correction. Paulas Columns A collection of Paulas writings. From her musings on opening a CP academy where, unusually, she is the one in charge to her adventures at the Sex Maniacs Ball where she celebrates winning her award in her own unique way... with a thorough spanking.
