

Pandora Gets Frightened (Mythic Misadventures)

Pandy has recaptured six of the great Evils that she accidentally let loose, and now our foursome--Pandy, Alcie, Iole, and Homer--is on the hunt for the worst of them all: Fear. The team must journey into the dreaded underworld for their final adventure. Meanwhile, Hera, who knows where Pandy is heading, has been wreaking havoc in the shadowy world. And infamously vile villains like Tantalus, Sisyphus, and The Danaids have been freed from their eternal punishments . . . and they're in Pandys way! Will Pandy be able to defeat Hera once for all and find the location of Fear? It all comes together in the exciting conclusion to the Mythic Misadventures series!
