

Froggie Goes to England

Travel along with Froggie, the worlds most authoritative traveling amphibian. In this book Froggie travels to England. He spends a day seeing the sights in London... then on to the English countryside for a canal boat excursion. As co-captain of a narrowboat Froggie has plenty of work to do... but he also takes time for pleasure. When hes not on the boat you can usually find him at the local pubs and cafes. All good things must eventually come to an end. When Froggies trip is over he has plenty of stories to share with his two best friends back home, Ilsa and Marni. AND... plenty of stories and pictures to share with you too. ENJOY! You can also follow Froggie on Twitter (@hellofroggie)
