

Featuring Peter Rabbit and his friends in a soft artwork style, this simple text focuses on bedtime and, when the eyes finally close, gives baby something soft to snuggle. A flannel fabric in natural color, with colored stitching and appliqued character images, this cloth book comes in a recycled gift box and uses cotton from organic sources although the stitching and filling are made of polyester fibers due to stuffing regulations in certain states. Peter Rabbit Snuggle is part of the launch of the publishing program for Peter Rabbit . . . Naturally Better, a new initiative which promotes products that are made from safe and ethically responsible sources.

New Quests in Stellar Astrophysics: The Link Between Stars and Cosmology: Proceedings of the International Conference held in Puerto Vallarta, Mexico, ... 2001 (Astrophysics and Space Science Library), The Case of the Missing Case (Shirley Holmes), Twenty Steps to Power, Influence, and Control over People, Lectures on the Theory of Elliptic Functions.
