

The Power to the People

The opportunity It is a great coincidence that the emergence of consumer problems and business issues coincide with the arrival of tools that can help to bring the world together. These tools should enable people to communicate and express themselves in a better way. Three major points There are 3 major movements that are causing a shake-up in our world today: 1)The ever-lasting consumer oriented-society 2)The incredibly connected, social life we experience with the web and with social media 3)The constant bad brand experiences that we encounter The Vision Digital feedback will bring what people have always wanted: a world that is more transparent and aligned. This is the vision outlined in this book. With these ideas we can improve consumer experiences for the benefit of all by givingthe power to the people. Chapters of the book: 1. Influence 2. (The end of) Business as usual 3. Transformation 4. Everybodys concerned 5. New era, New Business 6. Welcome to the consumption society! 7. Connected customers are sharing 8. (Everyone hates) customer service 9. The problem & The Dilemma 10. Experience is THE word 11. Brand experience 12. The whole thing, Bad experience 13. Brand Management 14. Reputation Management 15. Customer empowerment 16. Companies realizing 17. The web effect 18. Welcome to the social revolution 19. The Concept
