

Salvajes (Wild) - El Sapo (Toad)

Now, some of Blackbirchs most popular animal books are available in Spanish! Join a few of Americas most celebrated wildlife photographers on their journeys through Africa, across North America, and into the oceans of the world. Youll come face to face with manatees, lions, grizzly bears, and wolves as you find out how all these creatures--and many more--survive in the wild. Full-color spreads provide details on each animals physiology, habitat, reproduction, hunting, social life, and its relationship to humans. Action-packed photographs make all the information come alive in a way that will truly excite and inspire younger readers and report writers.
